Dear Mr. Shah:

In recognition of Centraline's 19 years of service as a Lubriquip distributor in India, please accept the enclosed plaque. It is with great pleasure that Lubriquip recognizes your service to the industry and support throughout the years. I have also included various advertising materials which I thought you and your team would enjoy.

It has been an honor to be associated with you and the Centraline team!

Sincerely,

Terri Hoffmann,  
Global Customer Service Manager
